

# LWAE-630 Series

## Product Characteristic

- Material: PA66
- Type of protection: IP54
- Insulation class: F
- Motor type: BLEC Motor
- Operation Temperature: -25 C ~ +60 C
- Techniacal Feature: Control input 0-10VDC/PWM/RS485, Tech output, Locked-Rotor protection, Reverse Polarity, Over-voltage protection, Soft Start Protection.

## Technical Specifications

Model	Voltage (V)	Frequency (Hz)	Current (A)	Power [W(@0Pa)]	Speed (RPM)	Air Volume (m³/h)	Noise [dB(A)]
LWAE3G630SS-5PKW-10	230	50/60	2.96	679	1086	12777	70
